

Welcome to Woodlands Egg Hunt!

Our WE and BE teams created paper Easter bonnet hats adorned with spring flowers, colorful eggs, pastel cards and ribbons. Our creative crafters wore the gorgeous hats during our Easter celebration and hat fashion walk. We decorated our hall with Easter Egg Hunt Directions, clues, colorful eggs and flowers to enhance our Easter egg hunt using our searching skills. Our students were really excited, and they followed their egg hunt checklist. By the end we enjoyed candies and chocolate eggs. The Easter Bunny visited Woodlands! Thank you, Mr. Bunny, for making our party unforgettable!
