

ADVERSE WEATHER WARNING

In the event of severe weather conditions it may be necessary to close the school. Therefore, it is important to check your My Child at School portal and listen to the announcements on BBC Radio Kent and Heart FM Radio.

You can also go onto the below website to find out if the school is closed.

The screenshot shows the Kent County Council website. At the top, there is a teal header with the text 'Kent County Council' and a logo of a white horse on a teal background. Below the header, there is a navigation menu with 'Home', 'Education and children', and 'Emergency school closures'. A search bar is visible with the text 'Search kent.gov.uk...'. The main content area features the heading 'Kent Closures' and a sub-heading 'Search by school, service, location or postcode for live information on school closures.' Below this, there is a search bar with the text 'Helen Allison' and a 'Narrow down your results' button with an upward arrow icon.

Ultimately, the decision should be made by you as the parent/guardian whether you feel it is safe for your child to travel to school.
