

Sweepstake

Rally your friends, family, workmates or online pals and get them to take part in your sweepstake.

First, choose a theme - this could be guessing the winner of a popular event or tournament, guessing the weight of an object or your favourite fact. Write your theme next to What's the theme? Get each person to put their guess in a box, along with their name.

Whether you're trying to reach a target or just want to raise a bit of cash for charity, it's really easy and great fun.

A donation of £2 is suggested. If you guess right, you could win half the takings.

What's the theme?

The winner keeps half the cash and the rest goes to the National Autistic Society to help transform the lives of the 700,000 autistic adults and children in the UK. If there's no winner, all the money goes to charity or roll it over and do a second.

We're always on hand if you need extra support, or if you need help paying in your fundraising.
